### Applications:

Commercial:  
Office Spaces  
Hospitality

Residential:  
Multi-Family  
Room Divider

It's been more than 166 years since Charles Hager first started working in a blacksmith shop, and in that time span, we've grown from forging wheel rims for **Conestoga** wagons to offering more than 6,000 door hardware products. Today, the products created by Hager Companies can be found all over the world, and for good reason: they're built to last.
