FLOOR MOUNTING:
2. Place strike over drilled hole and mark outline of faceplate on the floor.
4. Mark and drill holes for plastic anchors, insert plugs into the holes.
5. Thread faceplate onto the body of the dust proof strike.
6. Install complete strike into the 1"[25.4] hole and secure faceplate using (2) #8 screws.

THRESHOLD MOUNTING:
1. Use installed flushbolt to mark location for the 1"[25.4] hole in the floor.
2. Temporarily lay threshold in place on the floor and mark the location for the 1"[25.4] hole using installed flushbolt.
5. Slide dust proof strike through the drilled hole in the threshold hole and tighten using the supplied nut. (Tighten to a snug fit)
6. Install threshold.
