</tbody>
</table>

For Hospital Type, use Prefix “HT” on above number. Hospital Type hinges are available on all architectural hinges with the exception of anchor hinges.

NOTE: When ordering round corner hinges, please specify a radius of either 1/4” (6.4 mm) or 5/8” (15.9 mm). If radius is not specified, 1/4” (6.4 mm) will be supplied.

NOTE: FOR SPECIAL REQUIREMENTS. In the event a particular hinge is not found to meet your requirements, please contact our Customer Service Department and provide Hager with the specific requirements. The Hager Technical Service Staff will prepare special drawings for the appropriate application.
