

## Keeping Your Door Closers on Track

Keep your door closers on track with Hager's slide track arm for our 5100, 5200 and 5300, grade 1 closer series. The heavy duty track arms combined with the proven reliability of the grade 1 closers make this a winning combination. The extruded aluminum track incorporates the slide arm into the track at a selected point. Choices of track functions, including the double egress arm meet virtually all installation requirements.
