FOR IMMEDIATE RELEASE:

eConestoga Economy Series Barn Door Hardware

ST. LOUIS – [Hager Companies](#), a leading U.S. manufacturer of commercial and residential door hardware products, announces the release of the new eConestoga economy series barn door hardware. This new flat track sliding door hardware is a decorative sliding door system with a rustic look and feel.

Saving precious floor space, while meeting ADA requirements, the eConestoga series is made from durable power-coated steel and is a smart, upmarket style for Residential, Hospitality, Multi-Family, and Assisted Living applications.

“Capitalizing on the rising trend of interior barn doors, we are expanding our designs in order to meet our customer’s needs,” says Bob Wilkins, Vice President of Marketing and Product Development. “Adding the eConestoga series provides our customers an opportunity to reasonably meet the end user’s budget while maintaining the pleasing esthetic appearance.”

About Hager Companies

Founded in 1849, St. Louis-based Hager Companies offers more than 6,000 full-line quality door hardware products under one brand name. With 12 product lines including, commercial and residential hinges, two types of continuous hinges, trim, threshold and weatherstripping, sliding door hardware, locks, door controls, exit devices, electronic access control products and Euroline our European hardware line. Hager focuses on architectural door hardware that exceeds today’s building standards that are built to last. For additional information, visit www.hagerco.com.
