

## Instructions on how to Create and Print Hager University Certificates

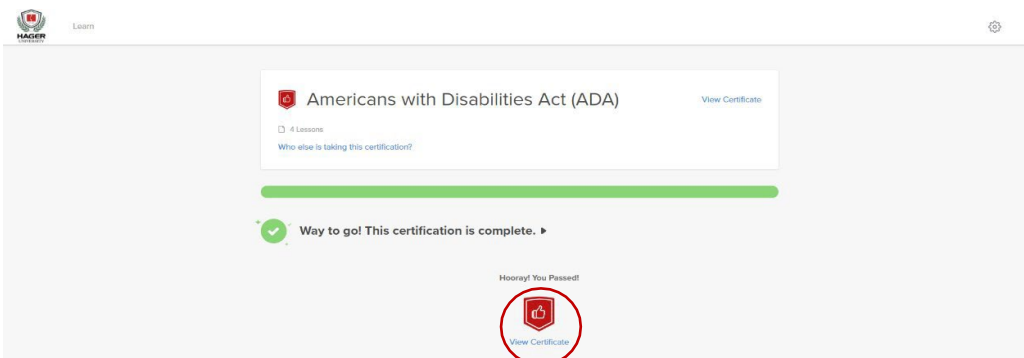

1. Log into your Lessonly account and navigate to the 'Learn' tab.
2. Hager University is divided into "paths", each of which contains several lessons. If you have completed the path, click on the topic card for the path you would like to create the certificate for.

3. If you have completed the path, you will then be able to click on the red thumb badge.

4. Click 'View Certificate'.

5. Click Print.
